

Dyslexia and Maths

Dr Steve Chinn, world renowned expert on Dyslexia and Maths, will run two parent and child workshops for children who have dyslexic problems with Maths

Steve Chinn's experience spans over thirty years of work and research in special and mainstream education. In 1986 he founded then developed a specialist secondary school for dyslexic boys, which won several awards. Steve is now an independent consultant, researcher and writer. He contributes to conferences and has delivered training courses for teachers, parents and support assistants in over thirty countries across the world. www.stevechinn.co.uk

on Saturday 23rd March

workshop for parent + primary child: 10-12.30

workshop for parent + secondary child: 1.30 – 4.00

at Richmond School, Darlington Rd Richmond DL10 7BQ

Members £20 : Non-members £30

This will be an excellent opportunity for a parent to work with the child at a range of maths activities that can support the dyslexic learner and help the parent to understand the issues.

SEN Marketing will have a selection of relevant books and aids that may be purchased

For more details and booking go to

www.dyslexianetworkplus.org.uk or ring 01748 824365

This has been organised by Dyslexia Network Plus in conjunction with Richmond EMS for SpLD at Richmond School, who have arranged a day for teachers and teaching assistants on Friday 22nd (all day) Contact Mrs S Cappleman at

Richmond School on emsadmin@richmondschool.net
or 01748 850111 ext. 8180
